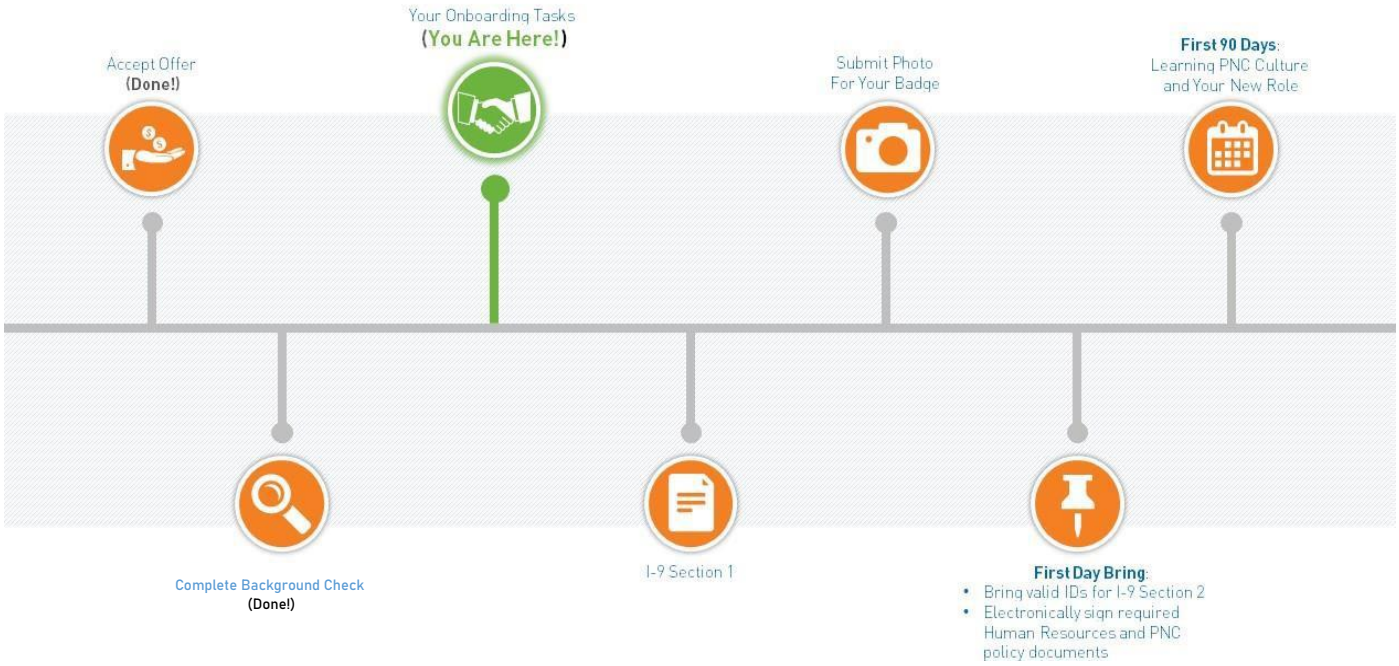
JOURNEY MAP



Your PNC onboarding portal

Your **PNC onboarding portal** is full of information (and videos) to help answer some of your basic questions about your transition to PNC. It also includes a confidential **inbox** that enables you to complete important paperwork electronically and set up your employee profile before your first day at PNC.

Your inbox will list approximately 9-10 action items (forms) that will take about 15 minutes total to complete. After you have filled out all required fields on each form, be sure to click the **Submit** button towards the bottom of the page. This will mark the form as complete, which will move it automatically to the Archive tab when you refresh your inbox. If you need to exit while you're in the middle of a task, click **Save For Later**; you can then return and complete it another time. All action items will need to show as complete for your employee profile to be built.

The list below describes the type of information you'll be asked to provide so you can prepare accordingly.

- **Emergency contact information:** You will need to provide the following information for whomever you would like PNC to contact in case of an emergency:
  - Legal Name
  - Relationship
  - Primary Phone Number (or) Primary Address

- **Your contact information:** Your home address and telephone number are populated automatically based on the information you inputted in your application during the recruiting process. You will be asked to verify the information on file and provide updates or corrections if needed.

- **Your personal information**: This includes your date of birth, gender and race/ethnicity and is populated automatically based on the information you inputted in your application during the recruiting process. You will need to review and update this data as appropriate.

- **Preferred name**: This will default to your legal name automatically, but you may change it if desired. If you make an update to this form, it will change your name in the Human Resources system. If you want to change the name that appears in your emails or other technology systems, you'll be able to do that after your first day at PNC.

- **Payment elections**: You may choose to receive your pay via check or direct deposit. Should you choose, direct deposit can be easily split into multiple accounts by 1) adding multiple bank accounts under **Accounts**, then 2) clicking **Edit** under **Payment Elections** and adding a row to the Payment Elections grid displayed on the screen. To enroll for direct deposit, you will be asked for the following information:
    - Bank name
    - Account type
    - Routing/transit number
    - Account number

- **State and federal tax withholdings**: You will be asked to identify and list any tax exemptions on your first day with PNC. Be sure to visit IRS.gov or talk with a tax professional to obtain guidance in preparation for completing your tax forms on your first day.

Smile! We need your photo

All PNC employees are required to submit a photo to create your security access card, for security purposes.**Note*: *If you're joining PNC's Customer Care Center, Harris Williams, Solebury Trout, or our corporate Development Program or Internship program, you do* ***not*** *need to submit your photo prior to your first day and will receive more information regarding your security access card process at that time.*

IMPORTANT: Please follow the steps below and provide your photo to your manager.

Photo Requirements

Your photo should follow the guidelines below:

- **You can use a mobile phone, tablet, or any kind of digital camera.** Ask a friend to take your photo anywhere you can find an appropriate solid blue background (seebelow).

- **Send the photo as a jpg file.** All modern devices with built-in cameras (including iPhone, iPad, etc.) will send the photo in a .jpg format, provided it is sent from an email account (e.g., Yahoo, Hotmail, Gmail, etc.). Please do not send photos in other formats such as .gif, .bit, .png, etc. or print photos.

- **Use a solid blue background.** ***Prior to your first day please use something like a blue blanket, blue sheet, blue curtain, blue poster board, or download an app that allows you to change your background, etc. If you do not have anything, please wait until your first day to provide a picture.*** Security has several on-site POWERLINK locations with a blue photo studio background available. Visit the POWERLINK location closest to you to take your photo on your first day – bring a coworker with you as POWERLINK personnel are not equipped to take your photo. POWERLINK locations are located in the PNC intranet on or after your first day.

- **Keep it professional.** If the image is not appropriate (see examples below), it will be rejected, and you will be asked to submit a new photo, which will delay the creation of yoursecurity access card.
    - **No selfies or filters, please.** Remember, this is for a security access card, not a social mediaprofile.
    - **Hats, logos, sunglasses, etc., cannot be worn in the photo.**
    - **The photo should include you only.** Your hands should not be touching your face.
    - **Face forward and center your head and shoulders in the image.**
    - **Make it current.** Photos should be less than sixmonths old.

- **Photos will NOT be accepted if they:**
    - Are poor quality and resolution, black and white, already cropped, include other people, and are not professional.

Frequently asked questions

- **Can I submit my photograph on printed paper?**
  No, your photograph must be submitted electronically in a .jpg file.

- **What is a .jpg file?**
  A .jpg is a type of electronic file image used for photographs and pictures. Please do not send photographs in other formats such as .gif, .bit, .png, etc.

- **Can I send a photograph from my mobile device?**
  Yes, your .jpg file can be emailed from any smartphone or tablet that has a built -in camera.

- **What does PNC do with my photograph?**
  Photographs are transferred to the Corporate Security Services Access Control System. Your photograph will be placed on your PNC employee security access card and used by the Security staff to identify you. When you use your PNC security access card in the card readers in PNC buildings, your photograph will also appear on the access control monitor.

- **What if I submit my photo but do not follow the photo requirements above?**
  Your photo will be rejected and your security access card will not be created. You will be asked to submit a new photo, which means you may not be able to receive your badge on your first day.

- **Will my new security access card allow me to gain access to my floor?**
  Yes, based on the initial onboarding request and the floors requested, you will have access.

Friendly Reminder

- All employees are required to complete an USCIS Form I-9 as stated by the Immigration Reform and Control Act. Prior to your first day of employment, complete the USCIS Form I-9 following instructions sent by Business Integration Group (BIG). Review the list of acceptable documents that are deemed acceptable as proof of identity and work authorization for the I-9. Be sure to bring those documents with you to your appointment for completing Section 2 of the Form I-9. Also, it is important to note that original documents, not photocopies, are required.

- Work Opportunity Tax Credit (WOTC) – Access WOTC and complete the short survey.
